		<hr/>
Balance on hand		\$ 22,456.13

There is also a stock pile of crushed gravel of approximately \$1,200 which will be credited the Selectmen next year.

COMPARISON BUDGET

Salaries	\$ 5,000.00	\$ 5,000.00
	1957	Budget
Elections	100.00	500.00
Taxes	4,500.00	4,500.00
Int., borrowed money	425.00	425.00
Miscellaneous	10,000.00	10,000.00
Transfers	35,000.00	30,000.00

Appropriations	1,000.00	1,000.00
Officers' Bonds and Insurance	800.00	800.00
Town's share Social Security	534.00	600.00

We recommend that there be raised on the Grand List of the Town:

Town Tax	\$ 1.75
Highway Tax75

JAMES L. MANLEY,
ALLYN C. DEVINO,
GEORGE A. THOMPSON,

Selectmen.

After doing considerable investigating on Poor Accounts, getting out proper notices to other Towns and to the State on transient persons we were able to collect several bills of a sizable amount.

We sold the Bruyette and Bressette houses all of which were credits to the Poor account, thus reducing the poor bill from \$14,216.10 in 1956 to \$3,874.70 in 1957.

We had on hand January 1st in Selectmen's account \$22,456.13; Road Commissioner's account \$2,077.88; Truck Account \$64.25; Grader account \$2,312.66; we borrowed \$30,000.00 of Franklin County Bank and paid back this 30,000.00 and interest; we paid back the West Milton Cemetery note of \$1,200 which was borrowed in 1940. We bought a new International truck and paid for it out of truck account. The Selectmen's account is free from debt with a nice surplus, with the exception of the Clark Dyer fund of \$2,000.00 which cannot be paid according to will.

The grader account is a separate account and is set up to be self-liquidating, the balance of the purchase price is \$6,000.00 payable \$1,000.00 a year.

Treasurer.				

MILTON PUBLIC LIBRARY TRUSTEES' REPORT

The Trustees of the Milton Public Library are pleased to report that the circulation of books has been greater this year than in the past few years. We are pleased to have the young people especially Junior High children looking for reference and book material.

We want to thank the Selectmen for the new book shelves that were built during the summer. By rearranging the library we have added to the attractiveness of the room a great deal.

Milton was very fortunate in being one of the libraries to receive help from Federal Funds for reference books for a two year period.

The library has been thoroughly looked over and many older books removed. All books have been reclassified and as soon as time permits catalogued under the federal program by former regional librarians.

The treasurer reports a balance of \$134.12. This will just about defray library expenses until our allotment is received in March.

The library trustees have purchased 100 new books during the past year. Several books have been donated by Mrs. Lo Eva Mason.

A memory shelf is still maintained and we would appreciate donations of books for that shelf.

Regional and library meetings have been attended by members of the board and the Librarian.

MRS. KEITH LOMBARD, Chm.

MRS. ELLEN MILLER,

MRS. WILBERT PATTON,

MRS. HYMAN MILLER,

MRS. FREDRIC WOOD.

VERMONT DEPARTMENT OF SOCIAL WELFARE MONTPELIER, VERMONT

This is the twenty-second annual report which I have made to the citizens of Milton regarding State payments in your municipality of various types of assistance and welfare during 1957. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged. We have some measure of responsibility for 12,000 individuals and annually spend about six million dollars.

The total number of recipients in all four programs has not changed substantially for several years. Due to the extension of Social Security, the number receiving Old Age Assistance has declined but those receiving Aid to the Permanently and Totally Disabled have increased. Supplementation of inadequate amounts of Social Security benefits is an increasing role of Public Assistance. Towns and cities participate financially in two of the programs as indicated below. Administrative expenses for the four types of public Assistance have always been among the lowest in the nation. In one state the recipient receives less than eighty-two cents out of the assistance dollar. In Vermont the recipient received ninety-six cents.

Old Age Assistance	\$ 32,950.00
Aid to the Blind	729.00
Aid to Dependent Children*	10,200.00
Aid to the Disabled	4,441.00
Committed Children**	1,586.37
<hr/>	
Total	\$ 49,906.37

W. ARTHUR SIMPSON

*One-eighth paid by the town or city unless the family is non-settled.

**One-half paid by the town or city unless family is non-settled.

VERMONT DEPARTMENT OF HEALTH REPORT

Milton, like all towns, develops community health problems. A public health team from your Vermont Department of Health including a bacteriologist, chemist, dentist, engineer, health educator, public health nurse, nutritionist, physician, psychologist, sanitarian, social worker and statistician is available to aid your health officer, local doctors and other local citizens with such problems.

This report summarizes many services offered by the health team through use of state tax dollars, and indicates those services rendered to Milton last year to promote health in the community.

HEALTH SERVICES WHERE YOU LIVE AND WORK :
A healthy environment for your town results when water and sewage, systems, factories, schools and other public buildings, and food and lodging establishments are properly constructed and operated.

Food and lodging places ; inspections — consultations	36
Industrial sites ; inspections — consultations	0
Water, sewage, public buildings ; inspections — consultations	18
Water samples ; laboratory — analyses	66
Food and dairy products ; laboratory — analyses	0

HEALTH SERVICES TO INDIVIDUALS: The public health nurse is a member of the Health Department team often seen in your town. She assists in organizing local health efforts. During the year she has, with assistance from people in your community, served at well-child and school conferences, x-ray clinics and immunization clinics and with visits to homes, doctors and agencies to promote and protect the health of children and adults.

Well-child Conferences ; persons served	45
School Conferences ; persons served	106

Chest x-rays; persons served	17
Nurse visits (to home, physician, school)	
185 visits on behalf of 114 persons	
Immunizations:	
Polio*: persons injected at childrens' clinics	402
Polio*: persons injected at adult clinics and doctors' offices	285
Diphtheria, Whooping Cough, Tetanus:	
persons immunized	87

The public health nurse welcomes the opportunity to serve you, and can be reached by mail addressed to the Vermont Department of Health Division of Public Health Nursing, 50 Bank Street, Box 710, St. Albans, Vermont.

Health Services available and rendered to individual residents of Milton through personnel operating from the state office were:

For health promotion:	
Nutrition consultations	0
Chest x-rays in industry	0
Immunizing agents were made available.	
For diagnostic aid:	
Laboratory analyses on blood specimens	221
Laboratory analyses on other specimens	44
Pediatric consultation, persons served	0
Pediatric hospital diagnosis; persons served	0
For diagnostic and treatment:	
Crippled Children's Clinics; persons served	7
Guidance Clinics; persons served	2
Hospitalization Financial Assistance;	
persons served	3
Tumor Clinics; persons served	6

COMMUNITY HEALTH SERVICES: Citizens of your town may call upon the public health team for services on methods for gaining health improvement, such as:

Town visits on dental health problems	0
---------------------------------------	---

Health information services and visits on health improvement projects	0
Hospital and nursing home inspections and consultations	2
Dietetic and nutrition services to groups	0

*Number of persons served since beginning of program.

Respectfully submitted,

ROBERT B. AIKEN, M. D., M. P. H.,
Commissioner of Health.

REPORT OF THE HEALTH OFFICER

January 20, 1958

Milton, Vermont

Year ending December 31, 1957. Over 286 cases of reported diseases were seen and reported to the State Board of Health in Burlington.

As usual those cases were Chickenpox, German Measles, Red Measles, Mumps and Scarlet Fever. The State does not require quarantine any more other than to advise and adhere to the advice of the physicians on transmission of the disease.

No material or new born deaths were reported.

No polio cases were reported.

I think the worst thing to report on is the condition of the teeth of too many people.

We had a large number of Asian Flu cases in spite of the fact that many were inoculated against it. We fear that we had insufficient supply and many were done too late.

The schools were visited and found to be in need of more care in the rest rooms. The hot lunch program is a great help to the children because the meals given to the children are set up to be a balanced body building need. The hot lunch rooms are clean.

Respectfully submitted,

MAURICE VILLEMAIRE, M. D.

The Delinquent School Tax payers will be listed in the Annual School Report.

I am very pleased to point out to you the substantial decrease in our delinquent taxes, Polls, Real Estate, and Personal Property. Our Delinquent Taxes at the present time are the lowest they have been for 25 years, or since 1932, the first year I was elected your Tax Collector.

You will note from your 1956 Town Report that all the Real Estate and Personal Property Delinquents for the years of 1949, 1950, 1951, 1952, 1953 and 1954 have been completely settled. Poll Tax payers are our most flagrant offenders and Poll Taxes are the most difficult to collect.

Many move from town after being listed in the spring and cannot be located, leaving the town holding the "bag" for their Old Age Assistance Tax which the town is holding for after being listed. Also many of them who can, will not pay their Poll Taxes when they are due; will permit them to go delinquent. This is true not only of their Town Polls but also of School and Village Poll Taxes as well.

Some will pay them before applying for driving licenses, while many will not even do that and will not do so until they receive notice from the Motor Vehicle Department that their driving license is to be suspended for non payment of Poll Taxes. When this happens to them, they want the Tax Collector "fired".

Many will pay their Town Poll Taxes but completely ignore their School and Village Poll Taxes. All Poll Tax payers very well know that the state law demands that full payment of ALL Poll Taxes due the town, school, and village, must be paid in full prior to applying for the driving license. It is very well known that several people in town are driving without a license, just inviting the law to catch up with them, and it will, sooner or later.

J. A. JACOBS, Tax Collector.

AUDITORS' REPORT

Your Auditors' report is that we have audited the several accounts and find the following amounts:

Cash in Selectmen's account	\$ 22,456.13	
Cash in Commissioner's account	2,077.88	
Cash in Grader account	2,312.66	
Cash in Truck account	64.25	
	<hr/>	\$ 26,910.92

Liabilities as follows:

Grader bonds, due \$1,000.00 paid annually at 2½% interest

Town General fund	\$ 1.90	\$ 1.90
Highway75	.75

LEONARD H. BRANCH,
 PERCY V. SHELTRA,
 F. ARTHUR MAYVILLE,
 Auditors.

**MILTON VILLAGE FIRE DEPARTMENT REPORT
JOINT PERIOD ENDING DECEMBER 31, 1957**

We had 44 fire calls during period January 1st to December 1st, 1957, five more than last year; 26 calls out of Village limits, eighteen calls within the village. Our calls for our of the Village have always exceeded our calls within the Village limits, therefore, it is very evident the Town is not paying its proportion of the expense of the Fire Department.

I personally feel the expense of the Fire Department should be equally divided between the Village and Town, in as much as our expense for the Department is mostly for fires out of the Village limits.

We had several very expensive grass and brush fires this spring. Two of our out of Town calls were for fires in the Town of Georgia for which we received \$100.00.

We had several 50 ft. lengths of hose that were rendered useless during the year and had to be replaced with new hose, and we still require several lengths of 2½ and 1½ inch hose to properly take care of our requirements.

According to the Report of Fire Commissioners Division of Public Safety for period July 1st, 1956 to June 30, 1957, Milton had 5 claims for fire loss amounting to \$6,920.00. This is very favorable compared with some other small towns in Chittenden County; such as Richmond with 3 claims, \$35,496.-00; Hinesburg, 4 claims, \$22,190.00; Charlotte, 4 claims, \$13,993.00.

The total fire loss in the State of Vermont during this period was \$1,271,345.00.

Please do all possible to prevent loss by fires. Place the number of your Fire Department phone number on the outside cover of your phone directory—UL 3-7311.

Local callers use the —7311— which is all that is required to call the Department.

JOHN A. JACOBS, Fire Chief.

TOWN MEETING WARNING

(Continued from outside cover)

the Town Treasurer with 4 per cent discount if paid within ninety days becoming due and payable October 15, 1958.

- Article 12. To see if the Town will vote to give the beer license money to the School District for hot lunches.
- Article 13. To see if the Town will vote a sum of money for the Town Library, if so, how much.
- Article 14. To see if the Town will vote a sum of money for observing Memorial Day and Veteran's Day, if so, how much.
- Article 15. To see if the Town will authorize the Selectmen to acquire by gift or purchase land for a municipal forest to promote reforestation, water conservation and good forestry practices.
- Article 16. To see if the Town will vote to authorize the Selectmen to employ Auditors from the State Auditor's Office to assist Town Auditors in auditing the Town books. (This has to be inserted in the warning in even years)
- Article 17. To see if the Town will vote an appropriation for Greater Burlington Industrial Corporation, if so, how much.
- Article 18. To see if the Town, acting under the provisions of No. 219 of the Acts of 1957, will vote to abolish the quadrennial appraisal of real estate which otherwise will be required to be made beginning June 1 of this year.
- Article 19. To ascertain if the voters will vote a sum of money for the purpose of carrying out a recreational program for the children of the town, if so, how much.

If above sum of money is voted to see if allocation of same is to be left to Selectmen or have a special committee appointed or elected.

Article 20. To see if the Town will vote to purchase a loader for use on the Town Highways, to be paid for on the same plan as the Grader.

Article 21. Shall license for the sale of malt and vinous beverages be granted in this Town?

Shall spirituous liquors be sold in this Town?

Dated at Milton, Vermont, this 6th day of February, A. D. 1958.

JAMES L. MANLEY,

ALLYN C. DEVINO,

GEO. A. THOMPSON,

Selectmen.

Highway Tax75

ALLYN C. DEVINO,
GEORGE THOMPSON,
JAMES L. MANLEY,

Selectmen.

We had on hand January 1st, 1959 in Selectmen's Account \$20,933.99; Road Commissioner's Account \$3,756.50; Truck Account \$1,290.88; Grader Account \$2,511.04; Loader Account \$2,082.21.

We borrowed \$20,000.00 from the Franklin County Bank. We paid back the \$20,000.00 and interest. We bought a new motor for the Oshkosh truck and a new International truck. They were paid for out of the trucking account. The Selectmen's Account is free from debt with a nice surplus, with the exception of the Clark Dyer Fund of \$2,000.00 which cannot be paid according to the Clark will.

The Grader and Loader Accounts are set up to be self liquidating, the balance of the purchase price of the Grader is \$5,000 payable \$1,000 per year. The balance of the loader account is \$13,500 as of January 1, 1959. A bond of \$1,350 has been paid since January 1, 1959 on the loader.

JESSIE E. WOOD, Treasurer.

REPORT OF MILTON PUBLIC LIBRARY TRUSTEES

Year Ending January 1, 1959

The Trustees of the Library report a very successful year in library work. Our Librarian, Mrs. Carrie Baker, reports a circulation of 2618 books, and much informational matter in the form of pamphlets and otherwise, distributed.

The Library is open every Saturday afternoon, from 2:00 to 5:00 o'clock. During the school year the Library is open every Tuesday from noon (12 o'clock) to 2:00 P. M. This is largely for the accommodation of teachers and pupils of the public schools, but all others who may wish library service at this time are welcome.

During the year 106 new books have been purchased and placed on the shelves, together with several other volumes presented the Library by interested friends. Our books are well-classified, and we trust you will find them helpful and enjoyable.

In closing we wish to thank our Librarian; the teachers and students of the public schools; our towns-people, generally, Mr. Baker for attending to the heating of the Library, and all others who have helped to make the year a successful one, and extend our best wishes for the continued success of the Milton Public Library.

Respectfully submitted,

MRS. ELLEN W. MILLER,

MRS. RITA K. PATTON,

MRS. DORIS K. MILLER,

MRS. JESSIE E. WOOD,

MRS. RUTH R. LOMBARD,

Trustees.

MILTON RECREATION PROGRAM

A six week summer playground recreation program for children was undertaken this year for the first time. Mr. Kenneth Billings, a Milton resident and a teacher at Burlington High School, was chosen as full time paid director. The program, running from July to August 8, was carried out at the Elementary School, utilizing the grounds, gymnasium, two class rooms and toilet facilities. Miss Fern Holcombe and Mrs. Cristobel Baxter on a volunteer basis, organized and operated a very successful morning nursery school for children who would enter school in the fall. A "Tot" lot for preschoolers was supervised by volunteer mothers.

An attempt was made through public meetings and questionnaires to determine what people desired in the way of an expanded recreation program, but the meetings were poorly attended. Of 400 questionnaires 101 (25.25%) were returned with only 79 (19.75%) families professing any interest.

In December a temporary ice skating rink with flood lights was constructed on the Elementary School grounds. We were late in starting this project and the early winter further defeated our plans to construct a permanent base for the rink. Regardless of these difficulties rink utilization has been relatively high. A portable warm up building is being constructed. Plans are being made for a permanent rink for next year.

At Christmas time refreshments were provided from Recreation Funds for the forty young people and adults who attended the Community Carol Sing organized by the Junior Womens Club. The Grange donated the use of their hall for the serving of the refreshments.

The Committee would like to thank the School Board and Mr. Glazier for their cooperation in the use of the school building and grounds; Miss Holcombe and Mrs. Baxter for their excellent work with the nursery school; Miss Gorman

and her typing class for cutting stencils for the questionnaire; Mr. McQuire, Mr. Billings and Mrs. Owen Rowse who helped compile the questionnaire and Mr. McQuire for having them mimeographed, also all of the people who helped distribute them.

We would also like to thank Mr. Leonard Branch who consented to act as our Treasurer and Mrs. E. Everest, who audited the books; the Mothers Club for donating some equipment; to the Selectmen for use of Town equipment for skating rink; and to the Public Service Corp. for installing a flood light.

LOUISE MILLER, Chairman

ELIZABETH DUFFY

ALAN ROUSE

EARL DEVINO

PAUL TOWNE

PLAYGROUND DIRECTOR'S REPORT

Facts:

Highest daily attendance	91
Lowest	16
Average	63

The ages varied, which made it difficult for one person to provide for the needs of all. The equipment was sufficient, however, I believe permanent basis should be sought.

Activities varied, the children like to have a chance to show what they can do on their own if allowed. I find that only few planned activities are needed with plenty of freedom for the child to choose an activity.

There is no doubt in my mind that the program was a

success, however, there is room for improvement.

Better than buying more equipment I suggest that there be more than one leader. There was some volunteer help but more would be desirable.

The pre-school program was especially successful. I firmly believe that the program should continue with the intent of improvement each year.

KENNETH BILLINGS

REPORT OF THE KINDERGARTEN CLASS

The kindergarten section of the Summer Recreation Program experienced a pleasant and profitable season. Approximately thirty-eight children attended. The total enrollment was divided into two sections so that each group attended three forenoons a week. This made it possible for each child to take full advantage of the facilities available.

The purpose of this class was to help the child adjust to other children, to school routine, and gain skill in many fundamentals necessary for later learning experiences.

Each day opened with an activity period which included art and craft work and dramatic play. A discussion period, story telling, outdoor play, rest period, and music completed the schedule. Each week a special unit of interest such as Fourth of July, Indian Nature, Insects, and Boats, was studied. A nature walk and a visit to the creamery were among the other excursions. A picnic at the Maples concluded the summer events.

The program was under the direction of Mrs. Fitch Baxter and Miss Fern Holcombe with assistance from Donna Martell and Carol Dueso, Maureen Morris, and Linda and Ann Lombard. The expense involved was very little since school facilities were used and the time was donated.

The children, undoubtedly, gained from this experience.

It would have been desirable if transportation could have been provided for all children. Car pools by parents transported those who did attend.

A program of this type is especially important in view of the increasing number of pupils in the first grade classes. We are grateful to the Town of Milton for making it possible to carry out such a program.

There will be additional expense this winter to complete the warm up building for skating, of approximately \$150.00 thereby reducing the balance to \$300.51.

VERMONT DEPARTMENT OF SOCIAL WELFARE MONTPELIER, VERMONT

This is the twenty-third annual report which I have made to the citizens of Milton regarding State payments in your municipality of various types of assistance and welfare during 1958. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged.

This year marks the greatest improvement in the assistance programs since they were inaugurated many years ago. Due to an increase in Federal funds available to the State and a fortunate combination of circumstances it has been possible to lift the ceiling in the three adult programs from \$63.00 to \$75.00 a month and in the Aid to Dependent Children program to \$45.00 for the eligible mother or relative, \$45.00 for the first child and \$25.00 for each additional child. Our food budget allowances have also been increased. This not only furnishes more financial security to the individuals themselves but should also relieve the towns and cities of much of the expense of supplementation. Although the bill has not passed the legislature at this writing, a program for nursing home care and limited hospitalization for eligible recipients of Old Age Assistance, Aid to the Blind and Aid to the Permanently and Totally Disabled has the endorsement of the town and city managers. This will relieve the towns and cities of 65 percent of the cost for which they are currently obligated. No additional state appropriation is proposed or required. Actually, the current total requests of the Department of Social Welfare for 1960-1961 are less than was appropriated for 1958-1959.

Old Age Assistance	\$ 31,000.00
Aid to the Blind	756.00
Aid to Dependent Children*	8,098.00
Aid to the Disabled	3,624.00
Committed Children**	1,605.60
<hr/>	
Total	\$ 45,083.60

W. ARTHUR SIMPSON, Commissioner.

*One-eighth paid by the town or city unless family is non-settled.

**One-half paid by the town or city unless family is non-settled.

VERMONT STATE DEPARTMENT OF HEALTH REPORT

Through the following programs the State Department of Health works with the Health Officer and other officials, doctors and local citizens on community health. This report summarizes many of the services rendered to Milton last year and indicates other services available.

Cancer and Chronic Disease: 8 persons received services which included diagnosis and treatment at tumor clinics or financial aid toward hospitalization costs.

Child Health Services: 149 children attended 6 well-child and school conferences organized by the public health nurse. There were 0 nutrition and dietetic consultations. At attending doctor's request, 0 children received pediatric consultations; 0 received hospital diagnosis. 7 children with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 0* were given financial aid toward the cost of hospitalization.

Communicable Disease: 20 persons received chest x-rays; 84 children received immunizing series, including booster injections, against diphtheria, whooping cough, and/or tetanus. The immunizing series against poliomyelitis, including boosters, was given to 249 children and adults.

Dental Health: The dentist or dental hygienist made 0 consultations with groups on school or town dental health problems.

Environmental Sanitation: A sanitarian or sanitary engineer made 32 inspections-consultations at the town's food and lodging places and 15 concerning water supply, sewage disposal, public buildings and other problems to protect health through improved town sanitation.

Health Education: All programs offer educational services. Pamphlets, films and speakers are available. A health

reference library is maintained. The health educator consulted with many groups on health education programs, studying or organizing to take action on local health problems.

Hospital Services: There was 1 inspections-consultations to the hospitals, nursing homes or homes for the aged.

Industrial Health: Services for chest x-rays in industry and inspections and consultations at industrial sites were available.

Laboratory Services: As aids in the control of communicable disease, tests were performed on 91 water samples, 0 food and dairy products, 217 blood specimens and 67 other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

Mental Health*: 0 persons and groups were served at the guidance clinic or through educational meetings or consultations. Services to individuals included 0 interviews with the psychiatrist, psychologist or psychiatric social worker. Financial and other assistance to develop local projects for prevention, treatment or education in the field of mental health were available.

Public Health Nursing: The public health nurse's headquarters is in St. Albans Assisted by local people, she served at well-child and school conferences, x-ray and immunization clinics. She visited homes, doctors and agencies, making 285 visits on behalf of 130 persons and community health activities. Her service is an essential element in the department's programs for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

ROBERT B. AIKEN, M. D., M. P. H.,
Commissioner of Health.

NOTE: A zero above indicates an available service that was not used. Figures not starred are for October 1, 1957-September 30, 1958; figures starred (*) are for the fiscal year, July 1, 1957-June 30, 1958.

REPORT OF HEALTH OFFICER

For Year Ending December 31, 1958

It is our duty to report that a fourth inoculation against Polio is now recommended as lately announced by the council on Polio Prevention. Also do not overlook Small Pox Vaccination at least every 3 to 5 years. However, there were no active cases of those diseases in Miton in 1958.

Other diseases reported were:

Chicken Pox	33	Mumps	2
Scarlet Fever	7	Hepatitis	1
Measles	12	Streptococcus	
Whooping Cough	5	Sore Throat	20

Eight people received services at tumor clinics. School and nursing homes were inspected and found to be sanitary and clean. There were 284 laboratory tests performed for blood and other hygiene processes. The doctors attended at all pre-school and school clinics as well as adult clinics for Polio; immunization totals 300. Many of our children also attended the dental clinics held in Burlington; this should be encouraged to continue this coming year.

Respectfully submitted,

MAURICE VILLEMAIRE, M.D.

Wood, Gary	1

There are several old Poll Taxes listed here that should be abated as parties have left town and are now in parts unknown.

Several of above delinquent tax payers are paying their taxes on installments but payments are not yet completed; therefore they must be shown as delinquent.

However, there are some that are not making any attempt to pay them and where they are holders of a driving license they must expect to have the license suspended.

JOHN A. JACOBS, Town Tax Collector.

VILLAGE FIRE DEPARTMENT REPORT

PERIOD JANUARY, 1957 TO JANUARY 31, 1958

The expense of the Fire Department this year was quite heavy, we had a total of 41 calls; 14 in the Village and 27 in the Town area.

As usual you will note that the largest percentage of our calls were out of the Village and were the most expensive. One of our expensive calls was to fight a forest fire that was started by a crew of men clearing the right of way for the Central Vermont Public Service. I understand the Village received or was to receive compensation for the expense from the contractor doing the work.

We were also called to assist the Georgia Fire Department in combating the fire at the Smith farm in that town of which we will also be reimbursed.

It was unfortunate indeed to have our old 22 year old heating plant give out in the Fire Station. Due to the old boiler sections rusting out the boiler would not retain the water supply therefor a new heating system had to be installed.

FARM WATER SUPPLIES

The development of permanent water supply for fire Department use at farm property should be promoted extensively by the farmers of the district covered by the Fire Department.

Wherever possible provide for the building of cisterns on farms so that the Fire Department pumper can use them for water supply. Sufficient water supply for at least one hour pumping at not less than a 50 gallon per minute rate should be available.

This normally would require a minimum cistern capacity

of about 3,000 gallons. If a small stream is available an ample supply of water may be provided by building a dam. When building a tank or reservoir it is well to provide a 4,000 gallon capacity so as to allow for the tank not being full at all times. Runways and roadways for Fire Department pumpers to streams and ponds should be provided.

JOHN A. JACOBS, Fire Chief.

AUDITORS' REPORT

Your Auditors' report is as follows showing the balance in each account of the town, and the balance in the bank plus cash on hand:

Cash in Selectmen's account (including Fish & Game \$594.00 due State of Vermont less fees)	\$ 20,933.99

TOWN MEETING WARNING

(Continued from outside cover)

- Article 9. To see if the Town will vote a tax on the Grand List of said Town to defray the Poor and Current expenditures, to pay tax assessments, all appropriations voted, build culverts and bridges, and to pay on indebtedness, if so, how much.
- Article 10. To see if the Town will vote to authorize its Selectmen to borrow money in anticipation of taxes.
- Article 11. To see if the Town will vote to pay its taxes to the Town Treasurer with 4 per cent discount if paid within ninety days becoming due and payable October 15, 1959.
- Article 12. To see if the Town will vote to give the beer license money to the School District for hot lunches.
- Article 13. To see if the Town will vote a sum of money for the Town Library, if so, how much.
- Article 14. To see if the Town will vote a sum of money for observing Memorial Day and Veterans's Day, if so, how much.
- Article 15. To see if the Town will authorize the Selectmen to acquire by gift or purchase land for a municipal forest to promote reforestation, water conservation and good forestry practices.
- Article 16. To see if the Town will vote an appropriation for Greater Burlington Industrial Corporation, if so, how much.
- Article 17. To see if the Voters will vote a tax for support of Recreation program and if so, how much. If above is voted in affirmative to elect a committee of five to carry on such a program.

- Article 18. To see if the Town will vote to raise the sum of \$200.00 to be used with State and Federal funds for control of White Pine Blister Rust.
- Article 19. To see if the Town will authorize the creation of a Planning Commission as provided by Vt. S. 3812-3815 1947 and amendments thereto. To consist of one Selectman and four members appointed by Selectmen.
To see if the Town will authorize the Selectmen to appoint a representative to the Regional Planning Commission.
- Article 20. To see if the Town will vote to authorize the Selectmen to install a heating system and toilet facilities in the Clark Memorial Building.
- Article 21. To see if the Town will authorize the Selectmen to name five citizens to serve on a special committee to take the necessary steps, subject to the approval of the Selectmen to have a town history compiled and that the Selectmen be authorized to allocate a sum of money to make this possible.
- Article 22. To do any other business that may legally come before said meeting.
- Article 23. Shall license for the sale of malt and vinous beverages be granted in this Town?
Shall spirituous liquors be sold in this Town?
- Dated at Milton, Vermont, this 4th day of February, A. D. 1959.

ALLYN C. DEVINO,

GEO. A. THOMPSON,

JAMES L. MANLEY,

Selectmen.

Highway Tax75

GEORGE A. THOMPSON,
JAMES L. MANLEY,
ALLYN C. DEVINO,

Selectmen.

We had on hand January 1, 1960:

Selectmen's Account \$22,326.24; Road Commissioners Account \$1,524.57; Truck Account \$4,513.48; Grader Account \$2,050.99; Loader Account \$1,406.58.

We borrowed \$20,000.00 from the Franklin County Bank, this has been paid back & Int. One truck was exchanged for a new one and the difference of \$3,538.25 was paid out of the Truck Account.

The Selectmen's Account is free from debt with a nice surplus, with the exception of the Clark & Dyer Fund of \$2,000.00 which cannot be paid according to the Will.

The Grader and Loader Accounts are set up to be self liquidating. The balance of the purchase price of the Grader is \$4,000., payable \$1,000. per year and Int. The balance of the purchase price of the Loader is \$10,800. payable \$1,350. per year & Int., as of Jan. 1, 1960.

REPORT OF MILTON PUBLIC LIBRARY TRUSTEES

YEAR ENDING DECEMBER 31, 1959

The Trustees of the Library report another very successful year in library work. Our Librarian, Mrs. Carrie Baker, reports a circulation of 2484 books. Of this total 564 books were loaned to students during the Tuesday openings of the library, from January to June, 1959. We feel the project was very successful and trust the practice if possible may be resumed later.

Since June, 1959, the Library has been opened Saturday from 2 to 5 P.M.

During the year a total of approximately 104 new books is

reported, including a 16 volume Encyclopedia, (The Golden Book Encyclopedia) which is particularly well adapted to the needs of the Graded School, but which contains much helpful material for older students.

There have been several gifts of books which are much appreciated. These are from interested friends of the Library.

The books are well classified and so arranged upon the shelves, that a book that may be wanted may be quickly and easily selected. If a book is needed but not in the Library, speak to the Librarian, and she will be glad to assist you in getting the book. We urge all our readers to visit the Library often, and enjoy the splendid books on these shelves. Let us make a splendid record for 1960.

In closing we wish to thank our Librarian, Mrs. Carrie Baker, for her faithful service; Mr. Baker for attending to the heating of the Library; to the Teachers and Pupils of the Public Schools; and to all others who have helped to make the year a successful one, and extend best wishes for the continued success of the Milton Public Library.

Respectfully submitted,

MRS. ELLEN MILLER,
MRS. DORIS MILLER,
MRS. JESSIE WOOD,
MRS. RUTH LOMBARD,
MRS. LOUISE BRANCH,

Trustees

VERMONT DEPARTMENT OF SOCIAL WELFARE

MONTPELIER, VERMONT

This is the twenty-fourth annual report which has been made to the citizens of Milton regarding State payments in your municipality of various types of assistance and welfare during 1959. The support and cooperation of town officers and people generally over this period is gratefully acknowledged.

Old Age Assistance	\$ 31,128.00
Aid to the Blind	858.00
Aid to Dependent Children*	15,067.00
Aid to the Disabled	3,884.00
Committed Children**	1,080.02
<hr/>	
Total	\$ 52,017.02

JOHN J. WACKERMAN, Commissioner.

*One-eight paid by the town or city unless family is non-settled.

**One-half paid by the town or city unless family is non-settled.

VERMONT STATE DEPARTMENT OF HEALTH

ANNUAL TOWN REPORT, 1959

The health of the town of Milton is the concern of its citizens, its doctors, health officer, selectmen and the State Department of Health.

Through its various programs the State Department of Health staff works with and for local people on community health, operating on both local and state levels. This letter is a report of the State Health Department services and programs your town used.

With the aim of keeping children well and helping handicapped children, well-child and school conferences were attended by 124 children. Nutrition and dietary consultations numbered 0*. At the request of attending doctors 0* children received pediatric consultations, 0* received hospital diagnosis, 10 with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 0* were given financial aid toward hospitalization costs. Mental retardation clinic services were extended to 2* children.

In the effort to control communicable disease 13 persons received chest X-rays; 201 children received immunizations, including boosters, against diphtheria, whooping cough and/or tetanus. Polio immunizations, including boosters, were given 162 children and adults. The State Laboratory performed tests on 56 water samples, 0 food and dairy products, 178 blood specimens and 100 other specimens. Vaccines, anti toxins and biologicals were distributed for protection against communicable diseases.

There were 68 sanitary inspections or consultations made at the town's food and lodging places and 16 concerning water supply, sewage disposal, public buildings and other problems, to protect health through improved town sanitation. Services to maintain and improve adult health in industry included 0 chest X-rays and inspections and consultations at plants. In connection with the state licensing programs and the Hill-Burton federal aid program for hospital and medical facility construction there were 5 inspections—consultations to hospitals, nursing homes and homes for the aged.

Mental health services, through guidance clinics, educational meetings or consultations, were received by 0* persons and groups. Individual interviews with the psychiatrist, psychologist or psychiatric social worker were given 1*. Under the community mental health program to develop local projects for prevention, treatment or education in mental health, financial assistance and staff consultations are available.

To promote better dental health, consultations and services

were provided 2 groups or individuals on town or school dental health problems,

In cancer work 9 received diagnosis and treatment at tumor clinics, or were financially helped with hospitalization costs.

All programs in the department offer educational services. Pamphlets, films, a news release and information service and speakers are available. A health educator is available to help town groups study their health problems and plan educational programs.

The Public Health nurse, with headquarters in Essex Junction, served at well-child and school conferences, X-ray and immunization clinics, assisted by local people. She visited homes, doctors and agencies, making 222 visits on behalf of 96 persons and community health activities. Her service is an essential element in the department's program for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

R. B. AIKEN, M. D., M. P. H.,
Commissioner of Health

Figures not starred are for Oct. 1, 1958 — Sept. 30, 1959. Figures starred (*) are for the fiscal year July 1, 1958 — June 30, 1959.

You will note that certain services have not been utilized in your town, as indicated by zeros in the blank spaces. It is suggested that if these services were not needed, wanted or applicable (such as "no town water supply" or "no hospital or nursing home") you may omit these to save space in your town report.

Some of the delinquent poll tax payers listed have moved out of town and present address unknown. Therefore these uncollectable taxes must be abated.

Several of above delinquent tax payers are paying their taxes on installment. But payments are not yet completed therefore they must be listed as delinquent.

There are many that are not making any attempt to pay them. And they are known to be holding driving licenses. They must expect to have their license suspended, as is provided by law.

JOHN A. JACOBS, Town Tax Collector.

VILLAGE FIRE DEPARTMENT REPORT, YEAR 1959

We had 44 calls during the year, 2 more than last year. 24 calls were out of village limits and 20 within, as usual, more calls out of village than within.

The expense of the Department this year was quite heavy due to many grass fire calls.

The motor in our large pumper truck is getting old and requires much more attention to mechanical work.

Each year some of our old hose gives out and it must be replaced. We must purchase and replace four or five lengths of both 2½ and 1½ inch hose this coming season.

According to Fire Prevention Division for Department of Public Safety Report for July 1st, 1958 to July 1st, 1959, Milton had 5 claims for fire loss in the amount of \$22,350.00. While this is too much loss caused by fires, it is much lower than the loss in some of the other towns in Chittenden County. The total loss by fires in the county was \$225,220.00. During this period we must do everything possible to avoid fire loss.

According to the fire marshal's report juveniles were responsible for a very large percentage of fires. Playing with matches was one of the chief causes. Keep matches away from children if you possibly can. Not only valuable property is lost but there were 23 lives lost by fire in the state last year.

JOHN A. JACOBS, Fire Chief.

REPORT OF THE HEALTH OFFICER

For Year Ending December 31, 1959

The health of the town of Milton is the concern of all the citizens of the town. Any hazard that exists therefore should be reported in writing to the health officer. It should be the aim of all the people to work for better conditions. It is also to be noted that no health laws have ever been written or recorded in this town.

During the past year, well child and immunization clinics have been conducted. Through this same program, children and adults have received observation and treatment in other clinics for orthopedics, cardiac or cancer. There were sixty-eight sanitary inspections of the town's food or lodging places, besides those conducted at our schools. There were at least sixteen inspections of various water supplies and sewage disposal. The water examinations should be and will be done twice a month.

In cancer, nine people received consultation and treatment through hospital clinics. Diseases reported this year: Scarlet fever (2), Strep throat (42), German measles (11), Mumps (40), Measles (22), Chicken pox (34), Influenza (48).

It is hoped that in the near future health laws will be passed and recorded in our town.

Respectfully submitted,

M. J. VILLEMAIRE, M. D.

MILTON RECREATION PROGRAM

We on the Recreation Committee feel that we had a successful summer program and want to express our appreciation to all those who contributed time and efforts to make it possible.

However, we do feel that if such a program is continued that a greater number of the adults of the community should try to take an active part in it.

We were able to provide a skating rink this past winter and are pleased that so many youngsters were able to take advantage of using it. It was not built as early as it should have been due to the fact that the land where it was made was not purchased by the Incorporated School District until Dec., 1959. Next year we will be able to flood it earlier and hope to be able to provide better facilities. We would like to thank those who helped with the skating rink.

We also provided some assistance to the Milton Little League and also the Babe Ruth group and are pleased to have been able to do so. We certainly hope that these organizations can continue to operate.

In closing we would like to say we hope the voters can see fit to approve a recreational program this year.

Respectfully,

RAPHAEL MORRIS

WAYNE LAFAYETTE

EARL DEVINO

KEITH LOMBARD

ALAN ROUSE

REPORT OF RECREATION PROGRAM FOR 1959

In the summer of 1959, the Milton Recreation Program opened its second season at the Milton Elementary School, on July 6th for a six-week's period ending August 14th. The hours were from 9-11:30 A. M. and 1:00 to 3:30 P. M. 82 children registered the first day. By the end of the 6-week's period 173 children had registered. An average of 50 children attended every day. The children were placed in age groups.

Our Tot-Lot consisted of children ages 4 through 6 and attended in the morning only. This group was under the direction of Mrs. Harold Bernstein and Mrs. Fitch Baxter assisted by Miss Donna Martell and Miss Carol Deuso of Georgia and Mrs. Loren Sanderson.

The older group from ages 7 through 14 were under the supervision of Willard Campbell and David Marshall. Pamela Norman and Leta Rae Pidgeon volunteered their assistance with the Arts and Crafts Program. The over-all program was supervised by Harold Bernstein.

ACTIVITIES: Each day began with flag raising and the pledge of Allegiance by the entire group. Following the ceremony each group went to their various activities, accompanied by the leader supervising the activity. The tots occupied one of the first grade rooms. Their activities included: modeling with clay; pantomines; drawing; water coloring; finger painting; story telling time; and outdoor play. There was a 15-minute rest period for each child.

The older groups participated in activities such as: Baseball; dodge ball; mass games; croquet; volley ball; horse-shoe pitching; badminton; softball; whiffle ball; ping-pong; tennis, and arts and crafts and sewing. There were special events, such as: an Arts & Crafts exhibit; pet show; Klondike Day; Dress-up Day;

Treasure Hunt; puppet show; stunt Day; field day with track events; award day; ping-pong and baseball tournaments. All the games were well participated in by the youngsters.

Mrs. Bernstein and I supervised the children during the lunch period every day as well.

Milk breaks were given at 11:00 A. M. and 2:00 P. M. each day. An average of $75\frac{1}{2}$ pint cartons of milk were sold daily to the children for 3 cents a carton. However, no youngster was denied milk, if unable to pay for it.

EQUIPMENT: At the beginning of the new season, some new equipment was purchased, such as: Croquet set; one set of iron horseshoes for the older children; one set of rubber horseshoes for the younger children; badminton set; one rubber baseball; tether ball; a whiffle ball set and 2 tennis racquets. With the newly added equipment which the children used and enjoyed, it is felt that it will offer them a good program for the forthcoming year.

A recommendation I would like to make at this time is, that some provision be made for a shady spot out-of-doors for the children, during the hot sunny part of the day.

I would like to take this opportunity to thank all those who assisted me in making this program a successful one. I would also like to thank the Committee for sending me to the 3-day Workshop, which was very helpful to me. I would like to suggest to the Committee that they send others to the Workshop, who intend to go into Recreational Work.

HAROLD BERNSTEIN, Supervisor

TOWN MEETING WARNING

(Continued from outside back cover)

- Article 7. To see if the Town will vote a tax on the Grand List of the Town for the maintenance and repairs of its highways, for sanding, and if so, how much.
- Article 8. To see if the Town will vote to have the highway money expended under the direction of the Selectmen.
- Article 9. To see if the Town will vote a tax on the Grand List of said Town to defray the Poor and Current expenditures, to pay tax assessments, all appropriations voted, build culverts and bridges, and take advantage of State Aid money.
- Article 10. To see if the Town will vote to authorize its Selectmen to borrow money in anticipation of taxes.
- Article 11. To see if the Town will vote to pay its taxes to the Town Treasurer with 4 per cent discount if paid within ninety days becoming due and payable October 15, 1960.
- Article 12. To see if the Town will vote to give the beer license money to the P. T. A. for hot lunch program.
- Article 13. To see if the Town will vote a sum of money for the Town Library, if so, how much.
- Article 14. To see if the Town will vote a sum of money for observing Memorial Day and Veterans' Day, if so, how much.

- Article 15. To see if the Town will authorize the Selectmen to acquire by gift or purchase land for a municipal forest to promote reforestation, water conservation and good forestry practices.
- Article 16. To see if the Town will vote to authorize the Selectmen to employ Auditors from the State Auditor's Office to assist Town Auditors in auditing the Town books. (This has to be inserted in the warning in even years)
- Article 17. To see if the Town will vote an appropriation for Greater Burlington Industrial Corporation, if so, how much.
- Article 18. To see if the voters will vote a tax for support of Recreation Program and if so, how much.
If above is voted in affirmative to elect a Committee of five to carry on such a program.
- Article 19. To do any other business that may legally come before said meeting.
- Article 20. Shall license for the sale of malt and vinous beverages be granted in this Town?
Shall spirituous liquors be sold in this Town?

Dated at Milton, Vermont, this 5th day of February, A. D. 1960.

G. A. THOMPSON,

J. L. MANLEY,

A. C. DEVINO,

Selectmen.

WARNING FOR THE ANNUAL TOWN MEETING

MARCH 1, 1960

The legal voters of the Town of Milton are hereby warned to meet at the Milton High School Auditorium, in said Town, on the 1st day of March, A. D. 1960, at 10 o'clock in the forenoon to transact the following business, viz:

Article 1. To elect a Moderator.

Article 2. To elect a Clerk.

Article 3. To hear and act upon the reports of the several
Town Officers.

Article 4. To see if the Town will vote to have the Selectmen
appoint a Road Commissioner.

Article 5. To elect all officers required by law, viz:
Selectman for three years. (ballot)
Town Treasurer.
Road Commissioner, unless appointed.
Overseer of Poor.
Lister for three years. (ballot)
Auditor for three years. (ballot)
Constable.
Collector of Delinquent Taxes.
One or more Grand Jurors.
Town Agent. (cannot be Selectmen)

Article 6. To elect a Library Trustee for five years.

(Continued on Page 55)

Roscoe Printing House, Essex Junction, Vermont

John F. Cook

COMPARISON BUDGET

	1960	1961
Salaries	\$ 5,000.00	\$ 5,000.00
Elections	500.00	250.00
Taxes	4,500.00	4,500.00
Int., Borrowed Money	400.00	400.00

Miscellaneous	13,000.00	13,000.00
Transfers	30,000.00	30,000.00
Appropriations	1,500.00	1,500.00
Officers Bonds and Insurance	1,000.00	1,000.00
Town's share Social Security	800.00	1,000.00

We recommend that there be raised on the Grand List of the Town:

Town Tax	\$ 1.75
Highway Tax75

We had on hand January 1, 1961:

Selectmen's Account \$14,153.36; Road Commissioner's Account \$1,010.73; Truck Account \$4,036.10; Grader Account \$1,949.68; Loader Account \$1,038.78.

We borrowed \$20,000.00 from the Franklin County Bank, this and interest has been paid back. One truck was exchanged for a new one and the difference of \$3,450.00 was paid out of the Truck Account.

The Selectmens' Account is free from debt with a nice surplus, with the exception of the Clark & Dyer Fund of \$2,000.00 which cannot be paid according to the Will.

The Grader and Loader Accounts are set up to be self liquidating. The balance of the purchase price of the Grader is \$3,000.00, payable \$1,000.00 per year and interest. The balance of the purchase price of the Loader is \$9,450.00, payable \$1,350.00 per year and interest, as of Jan. 1, 1961.

The Polio bill of \$6,253.27 we had to pay and flood damage of \$1,733.33 and increase in A. D. C. and Nursing Home Care just about makes the difference in cash on hand Jan. 1, 1960 — Jan. 1, 1961.

We were unable to get a State Audit before the local Audit. Your Selectmen contacted the State Auditor early in the summer of 1960 and requested an audit as per vote of March Meeting.

We also wrote again this winter and were told that they

would try to get to us before March Meeting but up to audit time we were not able to get a State audit.

JAMES L. MANLEY,
 ALLYN C. DEVINO,
 GEORGE A. THOMPSON,
 Selectmen.

1960 REPORT OF TRUSTEES OF MILTON PUBLIC LIBRARY

Our Librarian, Mrs. Arthur Baker, reports the circulation of over 2,000 books in 1960. Over eighty books have been purchased with Town appropriated funds. Gift books and Regional Book Wagon service have added greatly to our supply for your use. The library has again been opened on Tuesdays during the school year, primarily for the students and teachers.

Library officials as well as the patrons appreciate the improved appearance of the library room. Due to the generosity of Town officers, and the efforts of Trustee Chairman, Mrs. Doris Miller, and assistants, the work of cleaning, painting, and papering was accomplished the past summer.

We wish to express our appreciation to the citizens of the

Town of Milton who have supported the work of the Librarian and the Committee by a generous allotment of funds, the donation of books, and continued patronage. We thank those who regularly attended to the care and heating of the library throughout the year.

The Library is a public institution and its services are yours. The Trustees welcome any helpful suggestions to better the service.

Respectfully submitted,

MRS. DORIS K. MILLER
MRS. JESSIE E. WOOD
MRS. RUTH R. LOMBARD
MRS. LOUISE BRANCH
MRS. VENICE MAYVILLE

Report by J. Wood.

VERMONT DEPARTMENT OF SOCIAL WELFARE

MONTPELIER, VERMONT

This is the twenty-fifth annual report which has been made to the citizens of Milton regarding State payments in your municipality of various types of assistance and welfare during 1960. The support and cooperation of town officers and people generally over this period is gratefully acknowledged.

Aid to the Disabled	3,194.00
Committed Children*	947.09
<hr/>	
TOTAL	\$ 46,237.73

JOHN J. WACKERMAN, Commissioner

*One-eighth paid by the town or city unless family is non-settled.

**One-half paid by the town or city unless family is non-settled.

VERMONT STATE DEPARTMENT OF HEALTH
ANNUAL TOWN REPORT, 1960

The health of the town of Milton is the concern of its citizens, its doctors, health officer, selectmen and the State Department of Health.

Through its various programs the State Department of Health staff works with and for local people on community health, operating on both local and state levels. This is a report of some of the State Health Department services and programs your town used last year.

With the aim of keeping children well and helping handi-

capped children, well-child and school conferences were attended by 92 children. Nutrition and dietary consultations numbered 2. At the request of attending doctors 0 children received pediatric consultations, 0 received hospital diagnosis, 8 with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 3 were given financial aid toward hospitalization costs. Mental retardation clinic services were extended to 0 children.

In the effort to control communicable disease 23 persons received chest X-rays; 187 children received immunizations, including boosters, against diphtheria, whooping cough and/or tetanus. Polio immunizations, including boosters, were given 51 children and adults in clinics and conferences. The State Laboratory performed tests on 36 water samples, 0 food and dairy products, 153 blood specimens and 50 other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

There were 52 sanitary inspections or consultations made at the town's food and lodging places and 14 concerning water supply, sewage disposal, public buildings and other problems, to protect health through improved town sanitation. Services to maintain and improve adult health in industry included 0 chest X-rays and inspections and consultations at plants. In connection with the state licensing program and the Hill-Burton federal aid program for hospital and medical facility construction there were 2 inspections-consultations to hospitals, nursing homes for the aged.

Mental health services, through guidance clinics, educational meetings or consultations, were received by 0 persons and groups. Individual interviews with the psychiatrist, psychologist or psychiatric social worker were given 3. Under the community mental health program to develop local projects for prevention, treatment or education in mental health, financial assistance and staff consultations are available.

To promote better dental health 0 consultations and services were provided groups or individuals on town or school dental health problems.

In cancer work 8 received diagnosis and treatment at tumor clinics or were financially helped with hospitalization costs.

All programs in the department offer educational services. Pamphlets, films, a news release and information service and speakers are available. A health educator is available to help town groups study their health problems and plan educational programs.

The Public Health nurse served at well-child and school conferences, X-ray and immunization clinics, assisted by local people. She visited homes, doctors, and agencies, making 209 visits on behalf of 107 persons and community health activities. Her service is an essential element in the department's program for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

R. B. AIKEN, M. D., M. P. H.,
Commissioner of Health

Several of these delinquent poll tax payers have moved out of town and present address unknown therefore eventually must be abated.

Also several paying on installment, however full amount of delinquent tax must be taken into account.

It is well known that several of these delinquents are driving without a driving license and when the law runs them down it will cost them more than it would to pay their poll taxes.

JOHN A. JACOBS, Town Tax Collector.

VILLAGE FIRE DEPARTMENT REPORT, YEAR 1960

The Department responded to 48 calls during the year 4 more than last year. 30 of these calls were out of village and in the town. 18 calls for fires were in the village limits.

It can be noted that about 70 percent of the expense of the Village Fire Department is in the town. This is injustice to the village tax payers and I strongly recommend that the town increase their appropriation to the village for fire protection.

I recently noted in the paper that the town of Essex voted to pay the Essex Jct. Village Fire Department \$2,000.00 per year for fire protection. I consider this very reasonable.

The pay for firemen alone during the year was \$1,071.00, and we had other quite heavy expenses for fire hose, over \$300.00 and necessary work on trucks.

Considerable of our fire expense in the town was due to the work of fire bugs, this trouble was cleared up by the state fire marshall's department. According to the fire marshall's report ending June 1, 1960 Milton had 5 claims for fire loss in the amount of \$4,100 and also according to the report juveniles were responsible for a large percentage of fires, playing with matches. Keep matches away from children if you possibly can. Not only valuable property is lost, but there were several lives lost in the state by fire last year.

JOHN A. JACOBS, Fire Chief.

REPORT OF THE HEALTH OFFICER

For the Year Ending December 31, 1960, this report of the Health Officer is submitted as follows:

Communicable diseases reported: Measles 172, Mumps 23, Chicken Pox 58, Whooping Cough 3, Infectious Mononucleosis 1, Scarlet Fever 17, Streptococcus Sore Throat 47.

Over 36 samples of drinking water were examined, and 153 blood examinations performed.

The schools in town were found to be well tended, they were kept clean, the rest rooms were hygienic, the kitchens and dining areas were found clean and good food was well served. These hot lunches mean a great deal in preserving the health and well being of the children.

Over 187 children received inoculations against tetanus, whooping cough and diphtheria.

We also held two special night clinics at which time over 250 inoculations of poliomyelitis vaccine were given to both adults and children.

Respectfully submitted,

M. J. VILLEMAIRE, M. D.

REPORT OF RECREATION PROGRAM FOR 1960

The Milton Recreation program opened its third season at the Milton Elementary School on July 5th for a six-weeks period ending August 12th. The hours were from 9:00 to 11:30 A. M. and 1:00 to 3:30 P. M., Monday through Friday. 153 children were registered during the six-weeks period. There was an average of 60 children attending each day.

Our Tot-Lot consisted of children from the ages of 4 to 6 years. The group was under the direction of Mrs. Harold Bernstein, assisted by some of the older girls. Their activities were: Story-telling, plays, puppet shows, water coloring, molding with clay, games and outdoor play. A 15-minute rest period was held each morning for each child. The first grade room was used for this group of children.

The older group from ages 7 thru 14, were under the supervision of Harold Bernstein, assisted by Willard Campbell and Loretta Beaupre. The entire program was in charge of Harold Bernstein.

Each day opened with the raising of the flag, the flag salute and the Lord's Prayer. Announcements were made at that time, for the day's activities.

Activities of the Older Group consisted of: Baseball, basketball, tether ball, croquet, volley ball, horse-shoe pitching, badminton, soft ball, whiffle ball, ping pong, mass games, hikes and crafts. Nine boys under the leadership of Harold Bernstein assisted by Willard Campbell and David Marshall climbed Arrowhead Mountain.

The Arts and Crafts program was under the direction of Loretta Beaupre, assisted by Mrs. Bernstein. Spatter painting was done with old tooth brushes; puppets were fashioned of wire

and crepe paper; log cabins were made of brown paper bags, newspapers and glue. Posters and ornaments were made and many other things were made of materials found in the home, such as hats from wall paper and so forth.

SPECIAL EVENTS: Each week one special event was held. Hawaiian Day was held, commemorating the entrance of Hawaii into the Union as the 49th State; the costumes for the occasion were made by the children in the Craft Division. Other special events were: Pet Show; doll contest; Treasure Hunt; field day with track events; Klondike Day; bicycle rodeo and ping pong tournament. All the activities were well participated in.

Mrs. Bernstein and I supervised the children during the lunch period every day.

Milk breaks were given each day at 11:00 A. M. and 2:00 P. M. An average of 65 $\frac{1}{2}$ pint cartons of milk were sold each day at 4¢ a carton. No child was denied milk.

We wish to thank the Committee for making it possible for the staff and me to attend the State Recreation Work Shop. Many valuable things were learned which helped us to do a better job. I would like to thank my co-workers for their wonderful cooperation in helping to make the summer program a success, and David Marshall for volunteering his help many times.

HAROLD BERNSTEIN, Supervisor

WARNING FOR TOWN MEETING

(Continued from Outside Back Cover)

- Article 8. To see if the Town will vote to have the highway money expended under the direction of the Selectmen.
- Article 9. To see if the Town will vote a tax on the Grand List of said Town to defray the Poor and Current expenditures, to pay tax assessments, all appropriations voted, build culverts and bridges, and take advantage of State Aid money.
- Article 10. To see if the Town will vote to authorize its Selectmen to borrow money in anticipation of taxes.
- Article 11. To see if the Town will vote to pay its taxes to the Town Treasurer with 4 per cent discount if paid within ninety days becoming due and payable October 15, 1961.
- Article 12. To see if the Town will vote to give the beer license money to the P. T. A. for Hot Lunch Program.
- Article 13. To see if the Town will vote a sum of money for the Town Library, if so, how much.
- Article 14. To see if the Town will vote a sum of money for observing Memorial Day and Veterans' Day, if so, how much.
- Article 15. To see if the Town will authorize the Selectmen to acquire by gift or purchase land for a municipal forest to promote reforestation, water conservation and good forestry practices.
- Article 16. To see if the Town will vote to increase their yearly appropriation to the Village Fire Department for

- fire protection, and if so, how much.
- Article 17. To see if the Town will vote an appropriation for Greater Burlington Industrial Corporation, if so, how much.
- Article 18. To see if the voters will vote a tax for support of Recreation Program and if so, how much.
If voted in the affirmative to elect a Committee of five to carry on such a program.
- Article 19. To see if the Town will vote to straighten the road at "Wrights Bay." The land owner will provide part of the expense and also give the Town a right-of-way for the new road.
- Article 20. To see if the Town will authorize the creation of a Planning Commission as provided by Vt. S. 3812-3815, 1947 and amendments thereto. To consist of one Selectman and four members appointed by Selectmen.
To see if the Town will authorize the Selectmen to appoint a representative to the Regional Planning Commission.
- Article 21. To do any other business that may legally come before said meeting.
- Article 22. Shall license for the sale of malt and vinous beverages be granted in this Town?
Shall spirituous liquors be sold in this Town?

(On this article the ballot box closes at 3 P. M.)

Dated at Milton, Vermont this 7th day of February, A. D. 1961.
